## Class Pass Membership Terms & Conditions

Class Pass is only available to existing Sports Club members aged 16 or over. It is an “add-on” category which will be automatically cancelled if and when your main membership (Family, Joint, Individual etc) is cancelled.

Class Pass members may attend unlimited Sports Club exercise classes free of charge. Class Pass does not allow free access to classes organised by external hirers, which are indicated on the Exercise Class and Activity Programme. Normal prices apply to Sports Courses.

Payment is by monthly Direct Debit. This may be the same account as the regular membership, or a different one. If a different account is preferred then a new Direct Debit mandate must be completed and signed.

A pro-rata subscription to cover the period between the joining date and the first Direct Debit payment is payable by cash, cheque or credit/debit card at the time of joining.

Currently there are no Sports Club exercise classes during the month of August; therefore there will be no Direct Debit charge from your account on August 1<sup>st</sup> each year of membership. There is no need to cancel your Direct Debit. No allowance will be made for any fluctuation in the number of classes available during other months (e.g. Easter and Christmas). This is allowed for in the pricing of Class Pass.

Class Pass membership may be cancelled by giving one month notice by letter or email to the Sports Club Membership Secretary. There is no minimum term contract. However, where a special offer means that the first month (or up to one month) is free-of-charge, then applicants agree to pay at least one month's subscriptions prior to cancelling.

Class Pass membership may be cancelled without affecting the main membership category.

Priority in full classes is given first to Class Pass members, then to Sports Club members, then to non-members/guests.

When attending classes, Class Pass members should sign their name and number and clearly tick the box marked Class Pass to confirm their FOC status. This will be checked by a member of staff and the Club reserves the right to collect any payments due upon completion of checks.

Membership will be suspended immediately if the Club is unable to collect a due Direct Debit payment. Members will be informed in writing if this situation arises, and missed payments can be made at Club.

Membership prices are subject to change at any time. The annual review will normally take place in August. You will be informed of any changes to your Direct Debit at least 14 days prior to implementation.

Monthly Direct debits will be collected on or about the first working day of each calendar month.
