

Sports Course Information

Enrolment:

For Sports Club members no forms are necessary, simply visit Reception or telephone. Non-members must register as a Course Non-Member. There is no charge, and this only need be done when you register for your first course at the club.

Payment:

To secure your place on any course we request payment by cash, cheque or credit/debit card. Telephone booking is welcomed.

Renewing:

Courses run through each school term. All participants are automatically registered for the next term and receive a letter offering priority renewal. **There is a deadline for payment to confirm your place, after which the place will be released.** This is important so that waiting lists can be minimised and courses can start full.

Cancellation policy:

Cancelling a course enrolment for non-emergency reasons will result in Dulwich College Sports Club retaining 2 weeks fees as a cancellation charge. Cancellation requests must be submitted in writing.

Except in exceptional circumstances a credit note will be issued in the event of cancellation.

About our courses:

Instructed by qualified coaches with years of experience.

There is normally a waiting list for our swimming courses. Please visit our website for details on how to apply.

If course enrolment numbers are low the club reserves the right to cancel courses at short notice, with a refund or credit offered.

Course Non-Members will be issued with a User Card which must be presented at Reception on each visit, and used for access to the club. User Cards also enable access to the College main site car park and College Road pedestrian gate.

Please note that College activities always take priority. If a College sports fixture overruns a course session may be delayed. We apologise for the inconvenience this may cause, but ask for your understanding and cooperation.
